ABOUT ME

My name is Abdirizak, I completed my Web Developer diploma and am skilled in all phases of advanced web development. Bringing knowledge of web possessing a broad and promising skill set. knowledgeable in a variety of technologies, including PHP, Java, JS, SQL, MySQL and MongoDB. I able to work in a team environment as well as efficiently manage oneself during individual tasks.

EDUCATION

2011 2019 — AL ZUBEIR
National Secondary Certificate

2019 Present — JAMHUURIYA UNIVERSITY
Bachler of Computer Science and IT

Experience

I don't have much engagement because I'm still in university and I never start working for an organization or for myself, but I do cultivate some real projects with my group throughout our course.
